

**In the United States District Court  
for the Southern District of Georgia  
Brunswick Division**

LLOYD CURRY,

Petitioner,

v.

WARDEN, FCI JESUP,

Respondent.

2:25-cv-4

**ORDER**

The Magistrate Judge issued a Report and Recommendation for the Court to grant in part and deny in part Respondent's Motion to Dismiss and to dismiss Petitioner Lloyd Curry's ("Curry") 28 U.S.C. § 2241 Petition for Writ of Habeas Corpus. Dkt. No. 12. Curry did not file Objections to this Report and Recommendation, and the time to do so has elapsed.

Thus, upon review, I find no clear error in the Magistrate Judge's Report and Recommendation and **ADOPT** the Report and Recommendation as the opinion of the Court. See Macort v. Prem, Inc., 208 F. App'x 781, 784 (11th Cir. 2006) (If no specific objections are made or no objections are made at all, "the appropriate standard of review for the report and recommendation is clear error."). I **GRANT in part** and **DENY in part** Respondent's Motion to Dismiss and **DISMISS** Curry's 28 U.S.C. § 2241 Petition for Writ of Habeas Corpus. Dkt. Nos. 1, 7. I **DIRECT** the Clerk of

Court to **CLOSE** this case and enter the appropriate judgment of dismissal and **DENY** Curry *in forma pauperis* status on appeal.

SO ORDERED, this 29 day of September, 2025.

---

HON. LISA GODBEY WOOD, JUDGE  
UNITED STATES DISTRICT COURT  
SOUTHERN DISTRICT OF GEORGIA
